## Finance Eligibility Criteria and Products Offered

46. Finance is subject to status and terms and conditions apply. A guarantee may be required. Finance can only be offered to UK residents over 18 years old, or businesses. Please ensure you can afford the repayments for the duration of a loan before entering into a credit agreement. If you are seeking finance to purchase or lease your vehicle we are able to introduce you to one of our partner finance providers/lenders. As a broker, and not a lender we work with multiple funders, but we do not offer a whole of market financial solution and therefore we cannot offer impartial advice and therefore there may be a better product available to you elsewhere in the open market and you should consider shopping around for the best deal for your needs

47. The lenders we work with offer different products to different types of customers and as such interest rates and terms vary between lenders. Our lenders can offer a number of products including, but not limited to Hire Purchase, Finance Lease, Lease Purchase and Contract Hire.

48. We do not charge any fees for arranging the finance and we are not offering financial advice. You are advised to seek independent, impartial advice. We will attempt to get you the finance product you were quoted from our limited panel of lenders, or obtain you a suitable alternative offer.

## Commission arrangements and interest rates

49. We do not charge a fee to arrange vehicle finance for you but we do receive a commission payment from the lenders.

50. Different lenders have different methods for paying commissions based on a number of factors, such as whether you are entering into a regulated or unregulated agreement, the length of the agreement, the amount borrowed, the age of the vehicle, the type of finance product selected or your credit score.

51. Typically, a lender will pay a percentage of the loan amount to us as a broker, or a fixed fee. Where this is not the case then the commission we receive from the lender impacts the amount you pay. Such as for hire agreements.

52. Before you enter into an agreement, and in good time we will inform you of the amount of commission we will receive.

## Commission Disclosure

53. Vanaways receive a commission payment from the funder when arranging finance. The commission received for arranging this agreement is £

The Funder for this deal is:

54. Net of VAT at the prevailing rate, where applicable.

55. Per van if more than 1x van ordered.

56. For regulated purchase agreements the commission received is fixed by the funder, which is usually as a percentage of the amount lent. For a lease or hire agreement the amount may vary. If the agreement is a purchase agreement, then there is no VAT on top of this commission payment, for lease or rental agreements we charge and will receive VAT from the lender on top of the stated amount, at the prevailing rate.

57. The commission received covers costs associated with arranging finance such as, but not limited, Financial Conduct Authority authorisation and fees, training and competency programmes, staff recruitment and remunerations, oversight and monitoring programmes and resource, financial promotions and premises costs.

58. By signing this agreement you confirm you are happy for Vanaways to receive this payment from the funder

## User Type

59. By signing this agreement you are confirming that you are a business user, and the vehicle is being used for business purposes.

## Other

60. You will not own the vehicle should you choose a Finance Lease or Contract Hire.

61. Pre-registered vehicles' V5 (logbook) may be retained by the finance company or supplier for their administration purposes for between 6 and 12 months; or for the entire length of the finance agreement. 6. This does not change the right to title you may have.

62. By agreeing to order with us you agree to us passing your information on to our carefully selected funding partners (should you choose to fund the vehicle) who will carry out credit and fraud checks on you/your company.
